Emotional Support for Student in Crisis

More and more, we are seeing students in need of counseling and support. A greater number of students are coming to their counselors and our Health Office with symptoms associated with stress, anxiety and depression. Issues such as divorce, unemployment, foreclosure and illness can take a toll on our students, especially when they are already under the typical academic and social pressure associated with high school. Our school psychologist, mental health specialist, administrators and counselors are here to remove or reduce obstacles that prevent students from being successful in school. Please make sure and let us know if you, or someone you know, need help.

Students are encouraged to contact the school nurse, guidance counselors, or administration to discuss any concerns or problems that may be impacting them personally. Other community services include:

Lockers (Not Guaranteed)

For student who receive a locker via random lottery, locker rentals can be paid in the office for \$5 (See Attendance Clerks). Once rented, students will be able to use the same locker for all four years. Students are advised not to share lockers or combination information; the school does not accept responsibility for items missing from lockers. PE and Hallway lockers are Lincoln High School property and therefore are subject to search under reasonable suspicion by Lincoln High administration or Lincoln Police Department. Students who do not receive lockers via lottery as freshman should inquire with the attendance office at the end of the year on the potential for locker availability as a sophomore. Juniors who wish to keep lockers for their senior year must notify the attendance office.

Nutrition

The District recognizes the importance of proper nutrition to the physical well-being of the child. The Free and Reduced Lunch Program is an on-going effort by the District to provide well-balanced meals to students from low-income families. Please contact the office for application information, or visit school website.

Parking Lot Rules

- Students are not allowed to park in staff or handicapped parking, unless they possess a handicap symbol.
- Parking is based on a first-come basis. Parking spaces are not reserved, excluding staff, and handicapped parking.
- Clean up all of your trash.
- Do not tamper with another vehicle. Students will be disciplined, including possible law enforcement contact, for damaging or moving another student's vehicle without permission. Furthermore, students will be liable for damages caused to the other vehicle.
- Loitering is not allowed in the parking lot area (especially during lunch).
- Reminder: Possession of alcohol, tobacco products, or other banned items (including vape devices/paraphernalia) are suspendable offenses. Refer to the Student Search Policy in the Student Handbook.
- Only juniors and seniors with a lunch pass who are leaving at lunch time are allowed to enter the parking lot during the school day. Everyone else must remain on campus – students should not use cars as lockers.

Parent Process for Resolving School Issues (Non Schedule Related)

The Lincoln High School process is a defined four-step and progressive procedure:

STEP 1: Contact the teacher directly (by phone, email or letter), because there are two sides to every issue.

STEP 2: Contact your student's counselor (they have access to information about your student's status and progress).

STEP 3: Contact the appropriate assistant principal per student's alpha.

STEP 4: If you have completed the previous three steps, and your problem/issue still needs to be addressed, then contact the principal or utilize the district's uniform complaint procedure, which is detailed below:

Uniform Complaint Procedure

Federal law requires the school district and county office to adopt and notify parents of the District's complaint procedures for state and federal educational programs, including the opportunity to appeal to the state department. This law requires the school district to investigate and seek to resolve complaints at the local level and to follow uniform complaint procedures pursuant to state regulations when addressing complaints alleging unlawful discrimination for failure to comply with the law in adult basic education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs.

The Governing Board has adopted a complaint procedure for programs and services covered by this law and a compliance officer has been appointed to process claims, investigate, and ensure compliance with the law. A copy of the Uniform Complaint Procedure may be obtained from the District Office.

Personal Property/Theft & Vandalism

The school/school district is not responsible for the loss of personal property. Please do not bring large sums of money or expensive items to school. Your personal property is your responsibility. All incidents of tampering with personal or school property should be reported to the Assistant Principals' Office. Students responsible for such behavior will be subject to disciplinary action, restitution, and possible referral to the police.

Students are strongly advised to leave expensive personal property at home. Personal media devices/electronic devices, jewelry, and expensive make-up are targets of theft. Students should never leave personal property unattended in backpacks or in the locker rooms. PE locks should always be used. Also, students are highly encouraged to give valuable items to their PE Teacher to lock in the PE Office during class!

School Property

Students are financially responsible for all textbooks and materials, including athletic equipment issued to them. Students will be billed for lost or damaged materials.

STRIPES (Success Through Relevant Intervention, Peer-Tutoring, Enrichment and Support)

STRIPES is embedded intervention in the school day. The extra time is utilized to support learning in the classroom.

Students who have a 'B' or higher in the specific class period being supported by STRIPES for the school day **might not** be required to stay in class for the intervention. However, it is ultimately up to teacher discretion whether or not a student is released during this intervention time. Deeming intervention is necessary for some students because of assessment results is the prerogative of the teacher.

STRIPES can also be used for enrichment and/or for the teacher to choose to use the extra time to continue regular instruction on any given day requiring your student to stay in the class. The number one reason for STRIPES is to increase student achievement for all students at Lincoln High School.

Activities during STRIPES:

- Make up tests, quizzes, classwork, homework, missing assignments, etc.
- Reading
- Request access to the library or classroom computer
- Request to see a teacher for makeup work or additional help in a different class
- Re-teaching/providing differentiated instructional opportunities

Work Permits

By federal law and State Ed. Code 49164, all students under age 18 must have a valid work permit to be employed (including vacations and summer break). Applications are available in the office. Permits are only issued to students with a 2.0 GPA or better who meet attendance requirements. Work permits can be revoked if a student falls below a 2.0 GPA or establishes a negative attendance and/or discipline record.

ACADEMICS/COUNSELING

A-G Requirements/College Admission Requirements

A-G Subject Areas	CSU	UC
a) History/Social Science	2 yrs	2 yrs
b) English	4 yrs	4 yrs
c) Mathematics	3 yrs (through Math 3)	3 yrs (through Math 3) (4 yrs recommended)
d) Lab Science	2 yrs	2 yrs (3 recommended)
e) World Language	2 yrs	2 yrs (3 recommended)
f) Visual & Performing Arts	1 yr	1 yr
g) Elective Courses	1 yr	1 yr

All grades must be a 'C' or better to meet college admission standards. Also, generally speaking, the more math, science and world language, the better.

AP/Honors Classes

Any student wishing to enroll in an AP/Honors class is required to complete an application. One to two AP/Honors classes must be approved by a counselor. Three or more AP/Honors classes must be approved by an administrator. Starting in the spring of 2019, honors applications will be turned in directly to the instructor of the class being applied for.

Class Scheduling Policy

All freshmen and sophomores must take a full semester schedule of eight (8) periods per day. Juniors may have one class period scheduled as an “open period” as long as they had at least a GPA of 3.0 in the prior semester and are making progress towards graduation. Seniors may have one class period scheduled as an “open period” if approved by the counselor and assistant principal/principal after a credit and progress towards graduation check, and can have a second unscheduled period if the student has a GPA of 3.0. **Please be aware that the policy for unscheduled classes is changing beginning in the 2019/2020 school year, and will be dependent upon A-G status.**

Class Transfer Policy

The Counseling Center has made every effort to match student needs with available classes. Therefore, there should be no reason for a schedule change unless there is an error on the student’s schedule. In the interest of not setting up educational roadblocks, counselors start working with students prior to the beginning of the school year. The Counseling Center provided each student on this campus (except for incoming freshmen) ample opportunity to change and adjust his/her schedule. These opportunities began in the spring when each student met individually with a counselor to create a schedule tailored to their needs. The Counseling Center believes that after school starts, the student should be committed to his/her schedule. Again, there should be no reason for a schedule change unless there is an error on the student’s schedule. Scheduling errors will receive immediate attention by the Counseling Center.

The following are considered scheduling errors:

1. Missing a course(s) required for graduation
2. “Blank”/missing a class period (does not include “early/late” arrival for seniors)
3. Student has not met the prerequisite for a course
4. Having the same class twice

The Counseling Center WILL NOT consider schedule changes for the following reasons:

1. To be with friends
2. To change teachers
3. To accommodate athletic schedules
4. To adjust for early/late arrival adjustments
5. To accommodate work/job requirements

The Counseling Center will correct any mistakes as quickly as possible. Each student must stay in his/her classes until he/she has been notified that the schedule has been changed. **Students have a two-week window to correct their schedule once the semester begins.**

If parents have a concern regarding their student's placement, the following procedures must be followed:

- Allow three weeks for student adjustment to class schedule and for schedule balancing
- Parent notifies counselor of concerns
- Counselor will schedule conference with the parent(s), counselor and teacher(s)

If after meeting with the counselor and teacher(s), the parent is still dissatisfied:

- Submit the concern(s) in writing to school Administration
- Meet with the school Administration to discuss the concern(s)

Following the conference between the parents and the Administration, the Administration will make the final decision as to what course of action will be in the best interest of all concerned.

Concurrent Enrollment in College Courses

Lincoln High School has a strong working relationship with our local community colleges, especially Sierra College. Students must obtain prior approval from a counselor and administration prior to enrollment at any community college. Check with your guidance counselor about taking “dual enrollment” courses right here at LHS!

Counselors

Guidance counselors are available for student’s academic and personal needs. Students should fill out a Blue Request Form to see a counselor. The counselors will call you out of class using a request slip sent from the office.

Course Catalog

The Lincoln High School course catalog contains descriptions of all courses and information for high school and college planning. Visit our Lincoln High School Web site to view our course catalog:

<http://lhs.wpusd.k12.ca.us/School-Services/Counseling--College--Career/Course-Catalog/index.html>

Drop Policy

Students dropping a course after the third week of the semester will receive a “W” on their transcript.

Students dropping a course after the fifth week will receive an “F” and their GPA will be impacted.

Early Graduation

Any student considering early graduation, please contact their administrator and/or guidance counselor by the end of the first semester of their junior year.

Final Exam Policy

Final examinations/assessments are mandatory at Lincoln High School and will not be given early for any reason. Students who miss their final exams will be issued a grade of “incomplete” for the semester. Students are required to make up their missed final exams during the first two weeks of the following semester in order to replace the “incomplete” grade with a letter grade. Failure to do so may result in a semester grade of “F” (fail).

Graduation Requirements

To receive a diploma, students need to meet the following requirements:

Proficiency Requirements: State law requires that graduates will have to reach a minimum standard of proficiency in reading, writing, and mathematics in order to receive a diploma from graduation from High School. These include passing Math 1.

Subject Requirements/Credits:

- English 40 credits
- Math (including Math 1) 30 credits
- Science 20 credits

- Physical Education 20 credits
 - Requirement of all freshmen.
- Health/Driver Education 5 credits
- Social Sciences 35 credits

 - World History - 10th grade
 - U.S. History - 11th grade
 - Government/Economics - 12th grade

- Technology 5 credits
- Electives 95 credits

TOTAL credits required for graduation = 260 credits

Home Hospital

Home hospital is available to students who are temporarily disabled and confined to a hospital or home (minimum of two weeks/maximum of eight weeks). A contract must be completed and include verification of the need for Home Hospital services in writing by the student's physician. Please see an Assistant Principal for Home Hospital information.

Homework

Homework is an important part of the learning process that enables a student to become an independent learner. Assignments to be completed outside of the school day enable parents/guardians to monitor and assist with the student's classroom experiences.

Homework also provides an important communication link between home, student, and teacher. The home and the school have a joint responsibility to foster an awareness that the student's education extends beyond the classroom. Students should anticipate daily homework assignments from all eight courses that will total 1-3 hours in length (students enrolled in A.P. classes should expect a heavier homework load).

Honor Roll Criteria

- Honor Roll must have a 3.00 GPA or above excluding P.E.
- Only classes taken at Lincoln High School, or another accredited high school, factor in the GPA
- Must receive a passing grade in all classes in which the student is enrolled

4 Year Academic Cord

- A student must have a 3.0 GPA or better in all course work for 8 consecutive semesters at Lincoln High School or another accredited high school, and fulfill all A-G requirements.
- A student cannot have received an "F", No Mark, or an Incomplete in any class.

Incomplete Grades

Any student who receives a grade of an "Incomplete" will have two weeks after the semester to eliminate the incomplete status for his/her grade with teacher approval. This timeline may be extended in extreme cases.

Making Up Assignments

Please contact your teacher for their makeup work policy.

No Mark

If a student has been in a class less than 6 weeks and there is not an applicable transfer grade, the student will receive a No Mark (NM) grade (no credit).

Pass/Fail Grades

Pass/Fail grades are utilized for the following classes only: Work Experience, TA's, and Cross Age Tutors. In addition, Pass/Fail grades may be utilized per IEP, 504 Plan, Home Hospital, and/or extenuating circumstances. Academic Peer Tutoring can be a Pass/Fail or an academic grade.

Report Cards and Progress Reports

Report cards will be mailed home at the end of each grading period.

Retaking Classes to Improve GPA

With the approval of the principal or designee, a student may repeat a course in order to raise a grade. There is no limit to the overall number of repeated courses an applicant may present, but for UC, each course can be repeated only once.

If the exact course in which a D/F grade was originally earned is repeated and a C grade or better is earned, the original D/F will still be included in transcript, but will *not* be included in GPA calculation, only the new grade will be used in the GPA calculation. If a course where credit was earned is repeated, the credits for the retake will count towards elective credit only.

Scholarships and Financial Aid

The Counseling Department keeps a file of current scholarship applications for students. Locally sponsored scholarships are exclusive to Lincoln High School- see counseling secretary for details. All students seeking financial aid for college are encouraged to apply for FAFSA.

Schoology

Schoology is a web based learning management system that allows for real time access to student data using any modern web browser. Students/Parents are able to check current grades, attendance and important classroom information as they are updated. Every student is given information at the beginning of the year to access Schoology. Parents are strongly encouraged to closely monitor their student's progress weekly on Schoology <https://www.wpusd.schoology.com>

Teacher Assistants (T.A.'s)

TA positions are only offered to Juniors and Seniors who have a 2.5 GPA or better on previous grading card, with no failed classes. TA's also cannot have outstanding attendance or discipline issues. Students must be making progress toward graduation. Students may not receive more than 20 T.A. credits during their high school matriculation. To become a TA, student must get signed written approval from a teacher. TA's will be issued a grade of Pass or Fail, unless a teacher has written a class syllabus for the TA position.

Travel Study (Five Day Minimum)

Travel Study may be granted to students that have the following criteria:

- **Students must have a 2.5 GPA or better in the previous grading period and meet attendance requirements.**
- The parents or guardians must complete an independent study contract at least 5 days in advance of their student leaving school. This gives the teachers appropriate time to gather assignments and turn them into the attendance office.
- All work must be completed on time and returned to the office upon their return to school.

- **Travel Study will not be granted during finals week, CAASPP testing, and during the first week of the new semester.**
- All Travel Study inquiries to go through Mrs. Hutchinson in the Attendance Office.

Valedictorian & Salutatorian

Valedictorian and Salutatorian are calculated by utilizing the class rank for the academic weight on the transcript, and are number one and number two in the senior class.

ACTIVITIES AND ATHLETICS

Athletics

Lincoln High School is a member of the Sac-Joaquin Section of the California Interscholastic Federation (CIF) and the Foothill Valley League (FV All schools in the section have been asked to remind spectators and fans of the rules of governing sportsmanlike conduct and the Code of Ethics:

- Berating opposing players, fans, and officials
- Obscene cheers and gestures

Student Body Sticker Contribution

Any student wishing to participate in athletics is asked to purchase a student body sticker for \$50.00. By purchasing a student body sticker, a student receives free admission to all sports contests (excluding playoff games) for the entire year, and also gains discounts to school events such as dances. Examples of how this money will be utilized are: to pay for officials for ALL sports, trophies, letterman jacket awards, scholar athlete sweatshirts, May Play Day, etc. Payment will not be accepted during class time.

Voluntary Athletic Contributions

For each sport that a student participates in, a voluntary athletic contribution of \$80.00 will be requested. These contributions are vital to our ability to allow sports to travel and receive the high level of competition that our students and parents desire. CAMPUS RULES AND POLICIES

Academic Honesty/Integrity

Honest behavior is the expectation for all LHS students. Academic honesty and personal integrity are fundamental components of a student's education and character development. The academically honest student produces work representative of his/her own efforts and abilities, whereas the academically dishonest student attempts to show knowledge and skills he/she does not possess by claiming another person's work as his/her own. Therefore, the purpose of this school policy is to create and maintain an ethical academic environment. Any behavior that is contrary to the purpose of the school's "academic honesty" policy will be considered a violation, will be subject to the disciplinary consequences outlined in the school policy, and will apply for the duration of the student's enrollment at LHS. Students need to know that teachers, coaches, advisors, counselors, and administrators will hold them accountable for behaviors that violate the provisions of the school's academic honesty policy. Students denying the allegation of academic dishonesty must request an appeal with an administrator. The definitions of behaviors that are considered to be violations of the school's academic honesty policy include, but are not limited to, the following:

Cheating on Tests or Assignments: Any soliciting, giving, or using external assistance in connection with a test, quiz, or other individually graded assignment without the express permission from the teacher is considered cheating. This includes looking on another student's paper, sharing answers, copying another student's assignment/paper, allowing someone to copy your paper, or using an electronic device while testing.

Fabrication: Any falsification and/or invention of data, citation, or another authority in an academic exercise.

Unauthorized Collaboration: While collaboration is often encouraged, unauthorized collaboration is not permitted. Unauthorized collaboration includes any intentional attempt to solicit an assignment, a paper, and/or test information from another person; it may also include the act of giving information, materials, answers, or gaining an unfair advantage another person.

Plagiarism: Any representation of another's ideas, words, or work as one's own. Plagiarism includes the misuse of published material, electronic material, and/or the work of other students. The original writer who shares his/her paper for another to copy, without the permission of the teacher, is engaging in plagiarism. Self-

plagiarism, double-dipping, or dovetailing is the process of recycling and/or re-using papers, class work, projects, and/or assignments without authorization in multiple classes.

Alteration of Material: Any unauthorized alteration of student, teacher, library, school data/information and/or electronic materials.

Forgery: Any unauthorized signing of another person's name to school related documents.

Theft: Any theft of material or information.

Transfer of Unauthorized Materials: Any soliciting, giving, or selling of unauthorized materials.

Consequences for Violation of Academic Honesty Policy: If a teacher deems that the breach of the Academic Honesty Policy is a major violation (see Majors/Minors), then school administration will become involved. Any alleged violation of this school policy will be investigated thoroughly and appropriate disciplinary action will be taken, including possible "zero" for the assignment, class suspension, parent conference, Saturday school, and if the situation is serious enough or if there are repeat instances of academic dishonesty, out of school suspension.

Alcohol, Drugs, Tobacco, and Other Controlled Substances

Students may not use, be under the influence of, buy, sell, or give any kind of controlled substance to others. **This includes the use of any kind of vape or vaping devices and tobacco products.** Violation of this rule will result in disciplinary action, which may range from suspension to possible expulsion from the school district. If the final disposition is reinstatement on this campus, students may be barred from participation in school-related activities and will be required to sign a discipline contract, which, if violated, will result in a move for an automatic expulsion hearing.

Students are advised that the school periodically may employ the use of trained dogs to sniff for drug possession and may use breathalyzers if a student is suspected of alcohol use. A student may be subjected to a drug recognition test if suspected to be under the influence of a controlled substance.

Attendance Guidelines

Lincoln High School strongly believes that attendance significantly supports student learning and behavior. It is recommended that the sum of all absences (excused and unexcused) not exceed 10 full or partial days for the school year. California law states that absences are excused only for personal illness or injury, medical appointments, attendance at funeral services for immediate family, court appearances, jury duty (18-year-olds), quarantine by health officer, including not providing proof of immunization, observation of his/her religion, and family emergencies. All other absences are unexcused.

- Parents are notified by an automated phone call every time their child has missed a class without a valid excuse. Parents can also check PowerSchool to monitor their child's attendance. Truancy letters are computer-generated and mailed home at least once a month for students who have excessive absences.
- **Verified Absences:** On the day of a student absence, verification of the absence may be made by a telephone call (916) 645-6580. Parents are urged to call the office as soon as possible to verify the absence. If a phone call is not made, the student must bring in a signed note to clear absences within 3 days of being absent. **All students must report to the attendance office to pick up an admit slip before returning to class. Students should arrive on campus in a timely fashion so that an admit slip can be obtained and the student can be in class on time. A tardy will be issued if the student is not in class on time.** Absences left unverified for **3 days** will be considered unexcused.
- Students are allowed a maximum of 14 absences per year that can be verified by a parent phone call. Parents will receive warning letters after the 5th, 10th, and 14th verified absences. Starting at the 15th absence, only a doctor's note can verify a student absence. Any other absences will be considered unexcused, and

Bullying and Harassment

Bullying will not be permitted on the Lincoln High School campus.

- Students found bullying other students, including cyber bullying by text message, on Facebook, Twitter, or any other social network or electronic means will receive consequences, will receive consequences as determined by site administration.
- Students are prohibited from posting to any website unauthorized photographs or video of students or staff. Any photograph or video that causes embarrassment or humiliation to any student or staff member will be considered cyber bullying which will result in a disciplinary action.

Bullying activities may include anything from excessive teasing or name calling to physically pushing someone around in order to frighten, intimidate, or threaten. The staff at Lincoln High School is committed to do everything in our power to prevent bullying and harassment and to intercede when it comes to our attention. Since students usually engage in bullying behavior when adults are not present, it is important for students to inform their teachers or school personnel when this happens.

To be a Fighting Zebra is to understand that being a quiet bystander to bullying is just as offensive as being the actual bully. Any incidents involving bullying, hazing or harassment should be reported immediately to a faculty member.

Harassment in any form is a violation of numerous laws (Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, and Title IX of the Educational Amendments of 1972, as well as California law) and will not be tolerated by any person (student or employee). You are encouraged to contact administration if you experience an incident of this nature.

If you are concerned that you are being bullied, contact an adult immediately (teacher, counselor, administrator, etc.).

Sexual Harassment:

Sexual harassment in any form (see majors/minors) may result in suspension or expulsion (see majors/minors). All students should understand that sexual harassment takes many forms and can consist of anything from teasing and name calling to gender-related comments. It is especially important students help us stop this and other types of misbehavior. Students are asked to practice caring for others by helping to make this a safe, orderly, and friendly school for all students. If a student witnesses any type of harassment, he/she should let teachers or the administration know about it immediately.

Sexually harassing behaviors that will not be tolerated include, but are not limited to:

- Unwelcome sexual flirtations
- Spreading sexual rumors
- Sexual jokes, stories, drawings, pictures or gestures
- Sexual threats, verbal abuse, comments or sexually degrading descriptions
- Students may not bring to school or have in possession any material depicting or describing indecency, obscenity or sexual behavior

Diversity and Racism

Recognizing and valuing diversity creates a school environment that is welcoming and productive. The California Education Code states, “All pupils have the right to participate fully in the educational process, free from discrimination and harassment. Harassment on school grounds directed at an individual on the basis of personal characteristics or status creates a hostile environment and jeopardizes equal educational opportunity as guaranteed by the California Constitution and the United States Constitution (Ed Code 201).” Harassment based on personal characteristics or status will be viewed as significant and will be addressed with significant disciplinary action.

At Lincoln High School, we appreciate diversity and make every effort to guarantee the rights, safety, and learning opportunities of all students. In working to accomplish our goal of establishing a bias-free environment, the Lincoln staff and administration will uphold the Education Code as it states, “There is an urgent need to prevent and respond to acts of hate violence and bias-related incidents that are occurring at an increasing rate in California's public schools. California's public schools have an affirmative obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity (Ed Code 201).” Any act of racism or discrimination will be viewed as significant and will be addressed with significant disciplinary action.

Campus Security

Surveillance cameras have been installed throughout the Lincoln High School campus to monitor the safety and security of our students. Campus Supervisors regularly patrol the campus and are available throughout the day to assist students.

Cell Phone Policy

Cell phone regulations:

- Cannot be used for any reason during class time, including text messaging, unless the teacher gives explicit permission for students to use the phone for educational purposes.
- Can be used before and after school, between classes and during lunch time.

- Phones are to be turned off during class time.
- Should a student's cell phone be out during class time, the teacher will take it and deliver it to the office later in the day.
- Should a student be seen using a cell phone outside of class during class time, the cell phone may be taken to the office.

When do the offending students get their phone back?

- First Offense: Logged and student may pick up in the phone in the office after school.
- Second Offense: Logged and parent must pick up the phone in the office.

It is advised that students do not bring electronic devices on campus. **The school does not assume responsibility for lost, stolen, or broken electronic devices.**

Check In and Check Out Policy

When a student arrives on campus after school has started, they have to check in with the Attendance Office. **When a student leaves campus before school is over they must report to the Attendance Office to check out through our attendance clerks. A parent/guardian must be present to check out freshmen and sophomore students; however, sophomores with a driver's license who have prior written consent on file to leave campus for a medical or dental appointment without a parent present may checkout with a parent phone call or note provided on the day of the appointment. Any student who is checking out MUST sign out at the attendance office before leaving.** These policies are to ensure that parents and school staff know where students are at all times to protect the safety of our students.

If your student has an appointment or needs to check out early, you must call attendance (645-6580 or 645-6360) or send a note to the office before school so your student can get a pass to leave class. This will ensure your student will be waiting in the office for pickup.

In order to alleviate interruption of classroom instruction, phone calls to class will not be made unless it is an emergency situation. Please make prior arrangements to pick up your student.

Classroom Rules and Procedures

Each teacher will establish his/her classroom rules and procedures (per WPUUSD Board Policy and Ed Code).

Class Suspension

A teacher may suspend a student from class for any of the acts enumerated in the discipline guidelines per Ed. Code. The teacher will inform the parent or guardian of the class suspension. A student who receives more than one class suspension in one school day may be suspended off campus the following school day(s).

Closed Campus Regulations

Board policy requires us to maintain a closed campus. Students are not permitted to bring guests to campus and/or into classrooms. The bus/limo will be sent back to its place of origin and no ticket refunds will be given. It is the responsibility of the students and their parents to ensure that these

vehicles remain alcohol and drug-free. We appreciate parent assistance in prohibiting the use of alcohol by students prior to or following any school event.

Student Responsibilities and Expectations

Students are required by law to attend school from the age of six to eighteen or graduation from high school or its equivalent. Daily school attendance is required unless the student is sick or legally excused. Students are also required to participate actively in the educational process. Students must comply with all school rules, pursue their required course of study, and submit to the authority of teachers and other school staff. Perhaps most importantly, students are expected to take primary responsibility for their own behavior. [Education Code § 35181; Education Code § 48908; Title 5, California Code of Regulations §300]

Student Searches

School officials may conduct searches of pupils and their personal belongings while on school property or at school-sponsored events. Searches of pupils and personal belongings will be conducted when there are reasonable grounds to suspect that the search will provide evidence that the pupil is violating the law and/or school regulations. The scope of the search will be related to the objectives of the search, the age and sex of the pupil, and the nature of the violation.

Personal belongings include, but are not limited to: backpacks, briefcases, bags, et cetera. Searches are also conducted of school property under joint control. School property under joint control includes lockers and desks.

Automobiles parked on the school premises or in the school parking lot are subject to search when officials have reason to believe weapons, drugs, or objects prohibited by school policy or state law are contained therein.

Tardies

Lincoln High School emphasizes punctuality and promptness. Punctual attendance is important to success in your classes and to your growth as a self-directed learner. Students must be in the classroom when the tardy bell rings. Teachers' individual classroom management procedures begin once the student enters the classroom.

Students are considered tardy to class if they are less than 30 minutes late to class. Students are considered absent from class if they are 30 minutes or more absent from class.

Tobacco related products such as lighters and papers can result in suspension. E-cigarettes, Vape Pens, and “Hookah Pens” may be treated not only as tobacco products but as controlled substance paraphernalia, and may result in a five-day suspension with a possible move for expulsion.

Vandalism/Graffiti

A student who commits an act of vandalism or graffiti on school grounds shall be subject to disciplinary action, including but not limited to suspension or expulsion. If reparation for damages is not made, the district also may withhold the student’s grades, diploma, and or transcripts in accordance with law.

Western Placer Unified School District Discipline Guidelines for Secondary Schools

These disciplinary guidelines for Western Placer Unified School District were developed for all secondary schools within the district. Fully aligned with California Education Code and Board Policy, these guidelines are meant to provide direction to administrators and to ensure that school rules are enforced in a fair and consistent manner. These disciplinary guidelines are used for incidents that occur on school grounds, during all extracurricular functions, and on the way to and from school.

As these guidelines address grades 6-12, consequences may be assigned differently based on a student's age and maturity level. Additionally, each administrator must consider the following when determining the appropriate consequences:

- Prior disciplinary records (including the nature of prior misconducts, the number of prior instances of misconduct, and the disciplinary and intervention measures applied for each prior incident)
- Nature, severity and scope of the behavior
- Circumstances/context in which the conduct occurred
- Frequency, duration and intensity of the behavior

Therefore, if the situation warrants it, students may be assigned the consequences of the second or third offense on the first offense. Likewise, students may be assigned the consequences of the first offense for a second or third offense based on the administrator's analysis of all factors mentioned above. Situations not specifically addressed in this plan or unusual or extreme cases will be dealt with in accordance with Board Policy and California Education Code.

DEFINITIONS

Assault: An unlawful attempt, coupled with present ability, to commit a violent injury to someone.

Behavior Contract: This is a contract written by the classroom teacher for the purpose of assisting the student with a specific behavior.

Bystander: This is a student who verbally encourages negative behavior to continue. These behaviors may include, but are not limited to: remaining at a fight even when directed to leave, saying things to encourage the fight to continue.

Battery: A willful and unlawful use of force or violence upon another and where there is a clear victim and clear abuser.

Dangerous Object: Any object used in a dangerous way or an object that might cause harm to the student or others. Examples include, but are not limited to: safety pins, scissors, laser pointers, paper clips that are opened.

Detention: A student is assigned to a supervised area for a specified period of time before or after school, or at lunch. Students may not be detained for more than one hour after the close of the maximum school day, unless otherwise arranged with the parent/guardian. If, after talking with the parent/guardian, the student is unable to remain after school on that day, another day will be arranged (including Saturday, where applicable).

Expulsion: Expulsion means the removal of the student from their school for a specified amount of time. When a school site recommends expulsion, the site will forward the request to the Director of Student Services. The Student Services Department will notify the family to arrange for a meeting to discuss the recommendation.

Explosive: Defined as "a destructive device" which includes, but is not limited to: bomb, grenade, rocket with propellant charge of greater than 4 ounces, missile with a charge of greater than 1/4 ounce, mine, similar devices, a weapon that can expel a projectile by explosive or propellant action, and parts which can be assembled into a destructive device.

Extortion: Using threats to obtain money or property from others.

Fight: Mutual combat. A physical confrontation between two or more students. All students who engage in mutual combat, regardless of who engages first, are subject to the consequences listed in 48900(a) above. No combatant in a mutual fight can claim self-

defense. *See definition for self-defense.*

Hate Violence: Willful interference with or threatening another person's personal or property rights due to his/her race, ethnicity, national origin, religion, disability or sexual orientation.

Harassment, Threats & Intimidation: Intentionally engaged in harassment, threats or intimidation directed against a pupil or group of pupils, that is sufficiently severe or pervasive to have the actual and expected effect of materially disrupting class work, creating substantial disorder and invading the rights of that pupil or group of pupils by creating an intimidating or hostile educational environment.

Obscene Act/Gesture: Any act or gesture that is considered offensive to others. Examples include, but are not limited to: using inappropriate hand gestures, rotating ones hips in a suggestive manner, or other similar behaviors.

Knife: As used in this section, 'knife' means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade fitted primarily for stabbing, a weapon with a blade longer than 3½ inches, a folding blade that locks into place, or a razor with an unguarded blade (EC 48915(g)).

Robbery: Taking property by the use of violence (PC 211).

Self-Defense: If the student can move and get out of the situation, he/she cannot claim self-defense. Self-defense is justified only if a person reasonably believes that using equal or lesser force is necessary to prevent death or great bodily harm. A mutual fight is not considered self-defense. When threatened violence exists, it is the duty of the person threatened to use all prudent and precautionary measures to move and get away from the situation.

Serious Bodily Injury: A serious impairment of physical condition including, but not limited to, the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement. (PC 243)

Sexual Battery: As described in Penal Code section 243.4(d)(1): "Any person who touches an intimate part of another person, if the touching is against the will of the person touched, and is for the specific purpose of sexual arousal, sexual gratification, or sexual abuse." Intimate part means the "sexual organ, anus, groin, or buttocks of any person, and the breast of a female."

Sexual Harassment: Unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature, if this behavior is sufficiently severe or pervasive to have a negative impact on the individual's academic performance, or creates an intimidating, hostile or offensive educational environment.

Student Success Team (SST): School-based teams who explore, in a structured procedure, alternatives for students experiencing attendance, academic, and/or behavioral problems.

School Attendance Review Board (SARB): Multi-disciplinary team at the District level. SARB committee is made up of school employees and community agencies who meet to discuss issues involving severe attendance and/or behavior issues. Referrals can be made to law enforcement and/or the District Attorney's Office for failure to follow the SARB directives.

Truancy: It is the expectation of this district that alternatives to suspension or expulsion be imposed against any pupil who is truant, tardy or otherwise absent from school activities. Students may be asked to serve detention before or after school or during lunch time. Students may also be asked to attend Friday and/or Saturday School to make up for lost instructional time. If a student refuses to participate in the alternative to suspension, it is considered an act of defiance.

DURING SUSPENSION

1. Parental Supervision

Students on home suspension are expected to be under the supervision of a parent/guardian during school hours.

2. Stay off School Grounds

Students on home suspension must stay off any school campus unless a prior arrangement has been made with a school administrator to come to the office on official business and the student is accompanied by the parent/guardian.

3. No School-Sponsored Activities

Students on suspension may not attend any school-sponsored activity (whether on or off any school campus - including weekends and holidays). This includes, but isn't limited to, graduation ceremonies, field trips, athletic events, proms, dances, and athletic activities.

4. Make-Up Work

Per Ed Code teachers have the right not to provide work during a student off campus suspension. Contact your son or daughter's individual teacher(s) for their individual suspension makeup work policy.
